MEMBERSHIP DRIVE GOES FULL THROTTLE

As the academic year begins, so does the annual SALT membership drive. Our strength comes from our numbers, so we are asking each of you to renew your membership and use the membership brochure that is attached to introduce a colleague to SALT.

Logging into the [new SALT website](#) is easy:

For those of you who had previously registered at the old SALT website, go to “login” on the top menu, then just use your **email address as your user name** and your old password. If you have forgotten your password, click to get a new one emailed to you. Then go to “membership” and you will see if your membership dues have expired. If they have, just renew your membership for this year.

For those of you who never logged in previously, go to “sign up” on the top menu to register. Remember, **your email address is your username** and create at least a six character login password. You will need to fill in all of the information requested in order to complete registration.

Then renew your membership for 2009-2010.

Notice two new features. One, we have made it easy to make a donation to SALT while renewing a membership. And if you prefer to send a check, you can renew your membership and note that a check will be forthcoming.
