

Society of American Law Teachers—What's New

September 15, 2009

MEMBERSHIP, MEMBERSHIP, MEMBERSHIP

It's that time of year again, when classes begin and your SALT membership expires. We need you to renew as soon as possible. Our strength is in our numbers. Last year we had members in 170 of the 200 ABA approved law schools across the country. Help us do even better this year!

Remember, you have to register in order to join or renew on-line. Your email address is your username.

Logging into the [new SALT website](#) is easy:

For those of you who had previously registered at the old SALT website, go to "login" on the top menu, then just use your *email address as your user name* and your old password. If you have forgotten your password, click to get a new one emailed to you. Then go to "membership" and you will see if your membership dues have expired. If they have, just renew your membership for this year.

For those of you who never logged in previously, go to "sign up" on the top menu to register. Remember, *your email address is your username* and create at least a six character login password. You will need to fill in all of the information requested in order to complete registration.

Then renew your membership for 2009-2010.
